## Workshop Objectives:

- To introduce students derivative markets.
- To explain the different types of derivatives, including futures, options, swaps, and forwards.
- To illustrate practical applications of derivatives in risk management and investment strategies.
- To enhance students' analytical skills in evaluating derivative instruments.

## Key Highlights:

- **Introduction to derivatives:** the workshop began with a comprehensive introduction to derivatives, highlighting their definition, purpose, and key characteristics.
- **Types of derivatives:** detailed explanations were provided on various types of derivatives, such as futures, options, swaps, and forwards, along with real-world examples to illustrate their use.
- **Market mechanics:** the session covered the functioning of derivative markets, including trading processes, market participants, and regulatory aspects.

# SESSION ON “INTRODUCTION TO ANALYTICS”

**Speaker:** Dr. Prasad Patil, Corporate Trainer

**TUESDAY, 18 June, 2024**

## About the Session:

The introduction to analytics session with Mr. Prasad Patil proved to be a resounding success, providing students with a solid foundation in the fundamentals of analytics and inspiring them to explore the vast opportunities offered by this dynamic field. We extend our sincere gratitude to Mr. Patil for his invaluable contributions and look forward to more such enriching sessions in the future.

## Highlights:

- Mr. Patil began by providing an overview of the evolution of analytics and its growing significance in modern businesses.
- He elucidated key concepts such as descriptive, predictive, and prescriptive analytics, offering examples to illustrate their practical implications.
- Through case studies and industry anecdotes, Mr. Patil showcased how organizations leverage analytics to optimize operations, enhance customer experiences, and drive strategic decision-making.
- The session included interactive discussions and Q&A segments, allowing students to clarify doubts and engage in meaningful dialogue with Mr. Patil.

## Key Highlights:

- Understanding the importance of analytics in driving business outcomes.
- Recognizing the various types of analytics and their applications in different industry contexts.
- Gaining insights into real-world examples of analytics-driven decision-making.
- Exploring career opportunities and skill development paths in the field of analytics.

# “CAREER OPPORTUNITIES IN SECURITIES MARKETS”

**SPEAKER:** Mr. Nikhil Shinde, senior AGM, National Institute of Securities Markets

**Thursday, September 21, 2023**

The session on “Career Opportunities In Securities Markets” was conducted to provide valuable insights into the diverse and dynamic career paths within the financial industry.

**About the Session:** Mr. Shinde discussed the following avenues in the field of securities markets: Investment Banking Stockbroking and Trading Asset Management Regulatory and Compliance Roles Technology and Quantitative Roles

## Key Takeaways:

- **Diversity Of Opportunities:** The session underscored the wide array of career options within securities markets, catering to individuals with different skills and interests.
- **Skill Sets:** The speaker emphasized the importance of analytical thinking, risk management, and adaptability for success in securities market careers.
- **Continuous Learning:** The ever-evolving nature of financial markets requires professionals to continuously learn and stay updated with industry trends.
- **Ethical Considerations:** Compliance and ethical conduct are pivotal in maintaining trust and stability within securities markets.
- **Networking:** Building a strong professional network can be instrumental in accessing career opportunities within the industry.

## Conclusions:

The session provided valuable insights into the dynamic and rewarding world of finance. Attendees gained a deeper understanding of the various roles available and the skills required to excel in this industry. The event highlighted the importance of staying informed and adaptable in a rapidly changing financial landscape. As attendees left the session, they were equipped with knowledge and inspiration to explore and pursue their career aspirations within the securities market. It was an informative and insightful session that left a lasting impact on all those who participated.

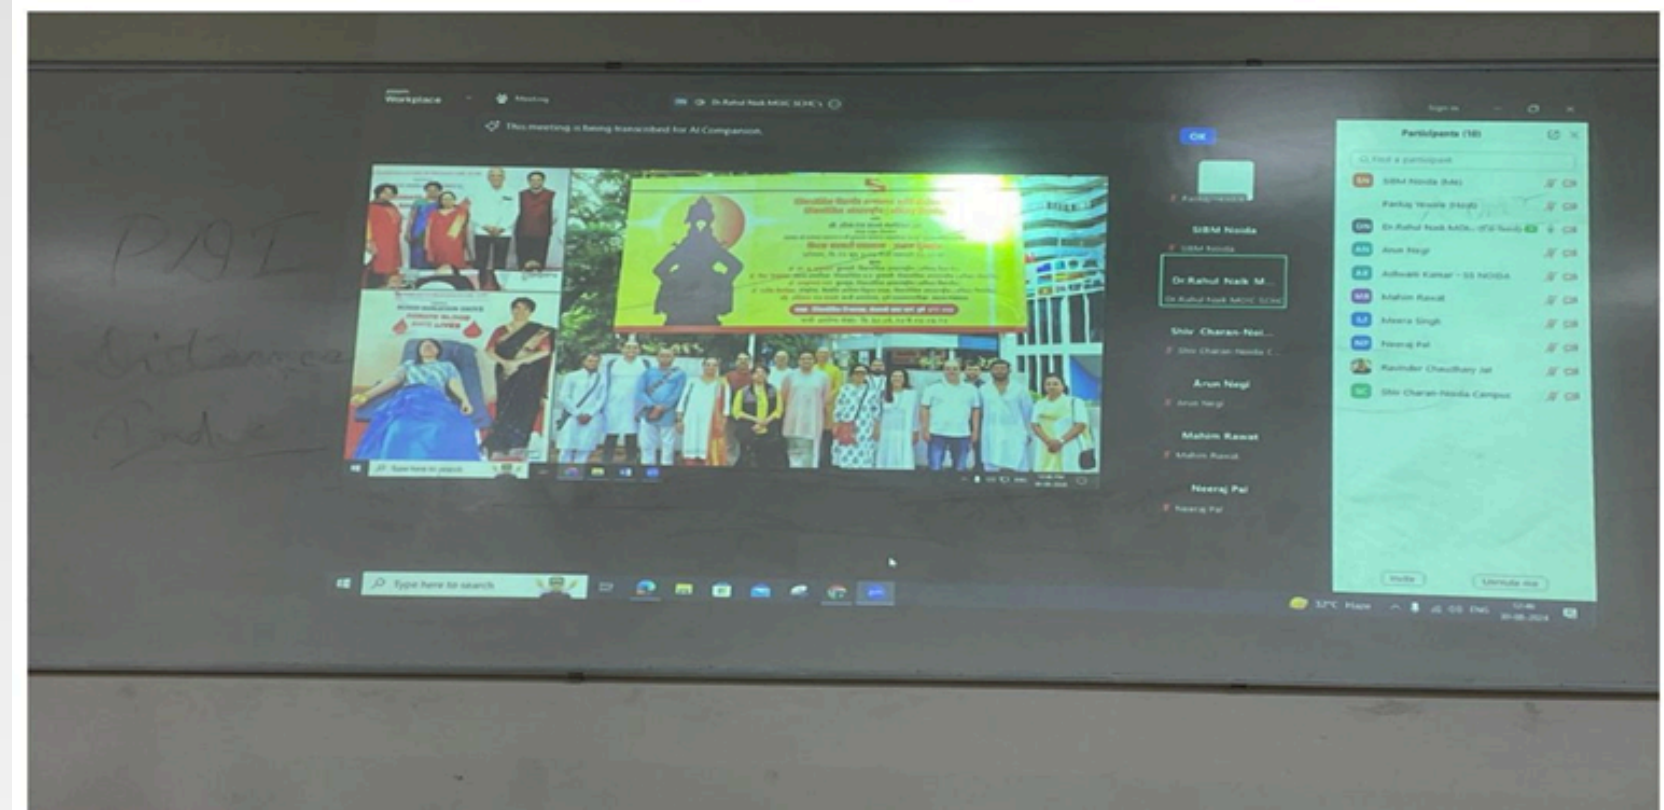

# EMPOWERING HEALTHIER LIVES: VIRTUAL HEALTH EDUCATION PROGRAM

**Speaker:** Dr. Rahul Naik, Medical Officer, Symbiosis Centre for Health Care

**FRIDAY, AUGUST 30, 2024**

The event was part of the health education program (HEP) and health-promoting initiative. The session aimed to raise health awareness and empower students to lead healthier, more balanced lives, reflecting the institute's dedication to the holistic well-being of its community. Dr. Naik covered a broad spectrum of essential topics, including preventive health practices, lifestyle management, mental well-being, and nutrition. He provided practical insights on making healthier daily choices and emphasized that good health is vital for academic success and long-term professional growth. Key points included the importance of regular physical activity, balanced nutrition, mental health management, and routine health check-ups, all of which serve as a roadmap to achieving a healthier lifestyle in today's fast-paced world.

A significant portion of the session focused on stress management techniques. Dr. Naik encouraged students to take a proactive approach to mental health, offering strategies to cope with academic pressures and maintain emotional balance. The interactive format allowed students to ask questions and discuss their health goals, making the session both informative and personal. The health promotive initiative, a cornerstone of SCHC's mission, encourages students to adopt healthier habits & inspires them to motivate those around them. By emphasizing holistic wellness, SIBM Noida strives to cultivate a culture of health consciousness that extends beyond individual well-being, fostering a campus community that values and supports a balanced lifestyle.

# WORKSHOP ON “VIKSIT BHARAT @2047: VOICE OF YOUTH”

Video Conferencing  
**Monday, December 11, 2023**

## About the Session:

The Prime Minister, Shri Narendra Modi, launched ‘Viksit Bharat @2047: Voice of Youth’ via video conferencing. During the program, Prime Minister Modi addressed the Vice Chancellors of Universities, Heads of Institutes, and Faculty Members in workshops organized at Raj Bhawan across the country to mark the beginning of this initiative. In line with the prime minister’s vision to actively involve the youth of the country in the formulation of national plans, priorities, and goals of the country, ‘Viksit Bharat @2047: Voice of Youth’ initiative will provide a platform for the youth of the country to contribute ideas to the vision of Viksit Bharat @2047.

Prime Minister Modi underlined the need to channel the energy of the students and the youth of every university towards achieving the common goal of ‘Viksit Bharat’. He suggested running special campaigns in every college and university in the country to connect more and more youth with this campaign. The prime minister mentioned the launch of the ideas portal related to Viksit Bharat and informed that suggestions can be given on 5 different themes. “A prize has also been arranged for the best 10 suggestions. You can also give your suggestions on mygov”, he added. “Idea starts with an ‘I’ just like India begins with an ‘I’”, the prime minister remarked as he underlined that the idea of development can only begin with the ‘I’ of the self. With this spirit, the prime minister stressed moulding the voice of the country's youth into the policy strategy for building a developed India and highlighted the role of educational institutions that maintain maximum contact with the youth.
